The Coordinating Center for Women in Church and Society

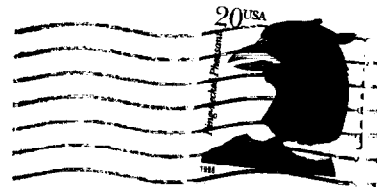

Women's Mosaic Series was started as part of CCW's commitment to the development of resources that reflect the diverse perspectives of women in the UCC. In 1999, *Nosotras/We, Women*, the second of the series, was developed by Hispanic/Latina women and *An Hour With the Queen: Lessons in Forgiveness and Grace*, the first of this new venture and was produced by women of Hawaii.
